

OCT-DEC 2022

COMPUTER READERS

Department of Computer Engineering, VPPCOE&VA

Vision

To develop a center of excellence in computer engineering and produce globally competent engineers who contribute towards the progress of the engineering community and society as a whole.

Mission

- To provide students with diversified engineering knowledge to work in a multidisciplinary environment.
- M2: To provide a platform to cultivate research, innovation, and entrepreneurial skills.
- M3: To produce world-class computer engineering professionals with moral values and leadership abilities for the sustainable development of society.

NEWS OF OUR TECHNICAL EXPERTS

INDIAN STARTUP DAY CELEBRATION

VPPCOE & VA in association with Institution's Innovation Council (IIC) organized a session on how to become a successful Entrepreneur on the occasion of Indian Startup Day. The event was conducted to motivate students to become an entrepreneur. The story of successful innovator will give the idea about how to think, innovate and develop product in spite of various difficulties faced. Mr. Nitin Kanse (Director, Niyura Technologies Private Limited) was invited as a guest speaker for the event. It was a very interactive session. It was a successful seminar.

ENGINEERS WEEK

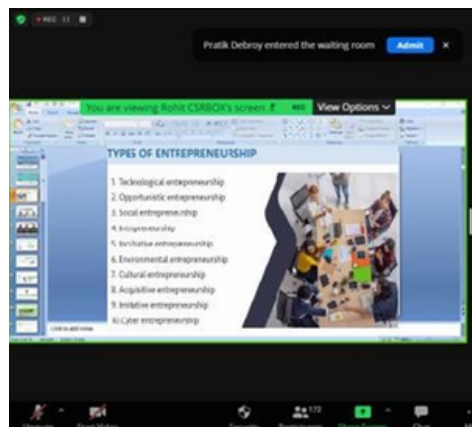

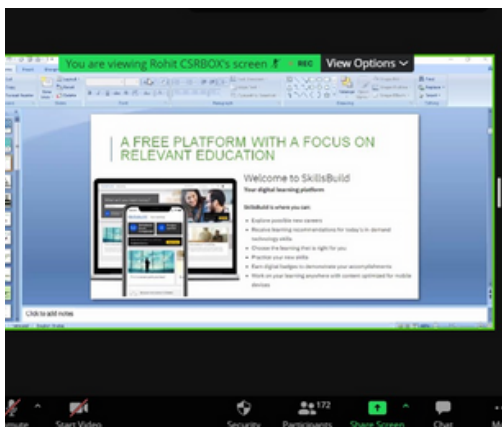

ENGINEERS DAY CELEBRATION

The event was organized to celebrate Engineers Day, 22. Mr. Chandrashekar Prabhu who is an architect, professor, editor, painter, artist, TV anchor, educationist, administrator, housing, urban development, management expert was invited as a guest for the event. Ar. Vinayak Nabar shared his life journey and gave speech on patriotism and mentioned about Quadrant of Life that are Physical, Emotional, Intellectual and Spiritual. It was a successful event organized by college.

WORKSHOP ON “ENTREPRENEURSHIP AND INNOVATION AS CAREER OPPORTUNITY”

VPPCOE&VA in association with IBM has successfully organized a Workshop on “Entrepreneurship and Innovation as Career Opportunity” on 23rd October 2022 at 10:00 am to 11:00 am. Mr. Rohit Rajput, Sr. Project Associate, Team IBM, CSRBOX demonstrated the process of Entrepreneurship statistics of India and life cycle of Entrepreneurship. This session is for the betterment of students. The session elaborated on how to start a new Innovative start-up. It also gave students a Hands-on- Survey to check a graduate eligibility to become an Entrepreneur. Overall, this was a successful event.

INDUSTRIAL VISITS

INDUSTRIAL VISIT TO ATLAS SKILL TECH INDUSTRY

An industrial visit was organized on October 11, 2022 to Atlas Skillset University located at Equinox Business Park, Ambekar Nagar, Kurla West, Kurla, Mumbai, Maharashtra for students of Computer Engineering Department. The visit scheduled by the administration of Vasantdada Patil College of Engineering and with special efforts of the HOD of Computer Science department Dr. Rais A Mulla. The objective of this industrial visit was to make students experience the lively working atmosphere of a master's university along and beneficial outcomes of a skill enhance based curriculum. All in All it was a wonderful industrial visit , full of knowledge and industrial insights. This visit has definitely added to our experience and learnings.

8 DAYS INDUSTRIAL VISIT

An Industrial Visit at Mumbai – Chandigarh – Manali - Solang-Kullu-Kasol-Amritsar for 8 Nights / 9 Days. The visit was scheduled by the Computer Engineering Department, VPPCOE & VA, Sion, Mumbai-22 on 17th December 2022. Students received practical knowledge about developing animations. Every student benefited from this visit. The students also got an opportunity to discuss their questions and doubts with the In-charge officer and other engineers working in industry. There was successful interaction and coordination from the students which indicates the success of the visit.

PTM & WEBINARS

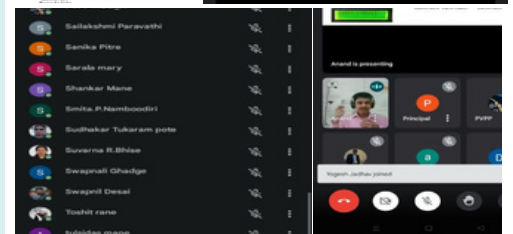

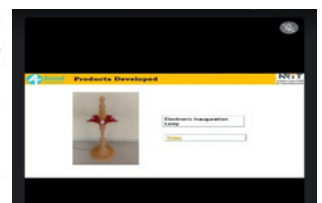

PARENT TEACHER MEETING

A Parent - Teacher Meeting for Engineering Students was held on 8th October 2022 to discuss the performance of students with their parents. Parents were given feedback regarding their ward's performances in Mid Term Exam. It was a great interaction between the teacher and the parents for the development of their children where they discussed both the strengths and areas of improvements. The progress reports were shown to the parents and their suggestions were noted. Any sign of a child failing to make progress questioned and addressed.

NATIONAL INNOVATION DAY

Event National Innovation Day held on Saturday, 15th Oct. 2022 at 10:30 am to 12:00 pm. The event was conducted to motivate students to become an entrepreneur. The story of successful innovator will give the idea about how to think, innovate and develop product in spite of various difficulties faced. The objectives of the event were to provide motivational mentorship to the students, to encourage students to become entrepreneurs. Overall the event was a success.

NATIONAL POLLUTION CONTROL DAY

Institution's Innovation Council (IIC) - VPPCOE & VA, Sion, Mumbai has organized an expert session on 12th Dec. 2022, at 12:00 pm for the students and faculty on "National Pollution Control Day". The key objectives was to educate students about the importance of pollution control acts and making them aware about industrial disasters. The day aims was to bring awareness to people about prevention of air, soil, noise, and water pollution. The session ended successfully.
