

Vasantdada Patil Pratishthan's College of Engineering & Visual Arts, Sion, Mumbai-22

Department of Computer Engineering

Innovative Teaching Learning Process

Course Name with code: Natural Language Processing

Activity: T&T (Turn and Talk)

Date: 20.09.2022

Semester: VII

Course Coordinator: Dr. Mahendra Pawar.

Objective:

T&T activity was adopted in “Natural Language Processing” course in which students were involved in group, where students were asked to solve problems on various concepts. Students in a group helped each other to find the solution for the problems.

Outcome:

This activity gave an opportunity for the student to improve the understanding ability of the course. Students were able to perform better in the course IA test ,semester end exam and also in their daily real life.

The list of topic:

1. NLP with local language (Marathi, Hindi, etc....)
2. NLP advance technique

3. NLP in social media
4. Impact of NLP in social media
5. Real time application on NLP

Mapping with Program Outcome:

PO	Mapping Level	PSO	Mapping Level
PO 05: To understand modern tools or techniques	3	PSO1	2
PO 06: Apply the knowledge to assess social issues	3		
PO 09: Individual and team work	3	PSO2	2
PO 12: This concept is essential in lifelong learning in the computer engineering field	3		

Subject In-charge

Dr. Mahendra Pawar

HOD of Computer Engineering Dept

Dr. Rais Mulla
